

Working to Stymie The Cycle of Bullying and Harm at Bowen State High School

stymie.com.au encourages bystanders (your children) to help and support their peers by making anonymous notifications using their site. These notifications will be about students who are being bullied or experiencing harm at Bowen State High School (BSHS). The notifications can include evidence such as screen shots of Facebook conversations or text messages and are automatically forwarded to the appropriate adult here at BSHS. The first conversation we have, will be with the student who is experiencing harm - they will know they are not alone.

Bowen State High School is committed to harnessing the power of bystanders to change the 'culture of acceptance' of bullying and harm in our community; a problem even the government admits is endemic amongst our youth.
