Bowen State High School

Mentorship is an integral part of our school culture and is facilitated through a comprehensive mentorship program. Students are assigned mentors from staff who provide guidance, support, and feedback. Regular meetings and informal check-ins ensure that students receive personalized support and develop strong relationships.

Bowen State High School is proud to offer a range of extracurricular activities and sports teams. These include football, basketball, swimming, and athletics. Clubs such as Debating, Drama, Science, and Environment are also available to students, providing opportunities for personal and academic growth.

Our school prides itself on its commitment to academic excellence, with a focus on developing well-rounded students. We have a strong emphasis on individualized learning, providing students with the tools they need to succeed in their educational journey.

Bowen State High School's curriculum is designed to meet the diverse needs of our students. We offer a range of subjects, including English, Mathematics, Science, and Technology, ensuring that every student has the opportunity to explore their interests.

Bowen State High School is a community that cares. We celebrate our students' achievements and support them through challenging times. Our staff is dedicated to providing a welcoming and inclusive environment, where every student feels valued and supported.

Bowen State High School offers a range of programs and opportunities to develop students' potential. We have a strong focus on developing leaders, with senior students taking on roles of responsibility both within the school and in the community.

Bowen State High School's location on the banks of the Pioneer River provides a beautiful and inspiring setting for learning. We believe in the power of nature to inspire students and encourage creativity and innovation.

Bowen State High School is a place where students can truly shine. Our staff are committed to ensuring that every student achieves their full potential, and we are proud of the successes we have seen so far.
