

HEADING IN THE RIGHT DIRECTION

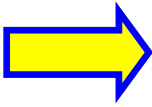

Your journey as a Senior Student is to explore, gain knowledge and experience your chosen career pathway. This is important for both OP and Non OP students.

WHY
Students need a direction for their studies.

HOW
Students will have opportunities to attend many career pathway tours, expos and work experience during their senior years.

WHY
Students need to experience hands on their chosen career pathway. Students need knowledge and advice from the people that know their profession.
